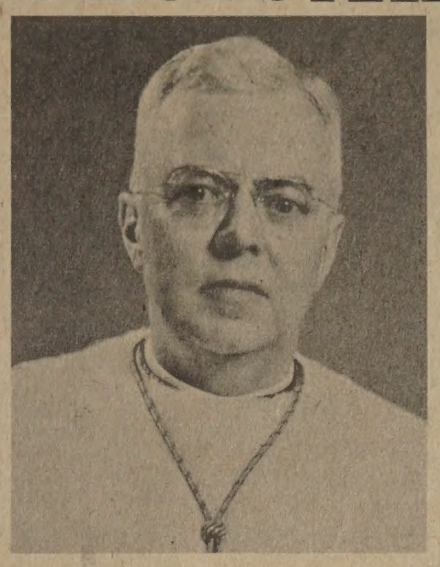
Commencement Honors Announced

Senator George D. Aiken, Rep. Vermont, Honorary LLD, '61. Among Honorandi June 5.

Michael W. McCarthy, chairmen of the board Merrill, Lynch, Pierce, Fenner and Smith Commencement speaker, Honorary LLD, '61.



Most Rev. James J. Navagh, D.D. Bishop of Ogdensburg, Baccalaureate speaker, Honorary LLD, '61.

Honorable Edward D. Boland, Dem. Congressman, Honorary LLD, '61, Mass.

Classes, Clubs Select Officers Donovan To Lead Seniors

by Jim McMahon

Next year's Sophomore, Junior, and Senior classes elected their officers for the coming academic year last Thursday, while most of the clubs on campus have also chosen their officers.

The student body ratified the the new Student Council constitution, which, combined with the many well-qualified class and club officers, should make campus government and organizations next year very efficient and productive.

The class elections were in many cases very closely contested, with as little as one vote being the deciding factor in some cases. Student interest ran high, especially since the voting was held in the lobby of Alliot Hall, right through the lunch hour, giving everyone a convenient opportunity to vote.

DONOVAN, BERGIN NEW PRESIDENTS

Next year's seniors, the Class of 1962, elected as their president, J. Peter Donovan. The vice-president will be Brian O'Connor, the secretary will be Michael Schlapp, and Peter Imbres will fulfill the duties of treasurer. Student Council representatives from the Senior class will be William Yeomans, Dave Drew, Regis Sullivan, and Paul Upham.

Pat Bergin gained the presidency of the Class of '63, with Dick Santora elected as vice-president, Joe Hogan as secretary, and Andy Fay as treasurer. Representing next year's Junior Class in the Student Council will be Bob Minotti, Joe McDonald, Jim Dyer, and Phil Occhino.

The Class of '64 elected Mike Smith as president, Stan Hoghe as vice-president. John Ketterson as secretary, and Kevin St. John as treasurer. Student Council representatives will be Jim Kraut, Bill LeDoux, Gerry Gleckel, Bill Jack, and Phil Cronin.

Next year's incoming freshmen, of course, will hold elections after the beginning of the next school year.

Also chosen in last week's general election were representatives to the N.F.C.C.S. from each class. They are as follows: '62, Tom Lapine, John Whitcomb, and Emile Daglio; '63, Dick Powers, Frank Middelaer, Joe McDonald; and '64, John Casey

CLUB ELECTIONS

Being completed are the club elections, some of which are as follows:

BUSINESS FORUM: president Bard O'Neill; vice-president Robert Parker; secretary Wallace French; treasurer John Vandeventer.

ARNOLD AIR SOCIETY (appointed): Peter Christo, Commander; Russell Van Zandt, Executive Officer; Michael Mahovich, Operations Officer; Regis Sullivan, Adjutant Recorder; John Giannotti, Comptroller; and John Schlegel, Informations Officer.

MARS (appointed): William J. Crennan Commander; Frank Sampieri, Deputy Commander for Administration; Dave Serluco Deputy Commander for Operations and Training.

WSSE (appointed): Bill Cosel, Station Manager and Program Director; Dick LaGasse, Personnel Director.

CROWN AND SWORD SOCIETY: president James Garofano; vice-president Russell Van Zandt; secretary Frank Middelaer; treasurer Dick Santora; historian Luis Villares.

POLITICS CLUB: president Jim Daniel; vice-president Denny Moss; secretary-treasurer Jim Daughton.

N.F.C.C.S.: president Tom Lapine; vice-president Frank Middelaer; secretary John Whitcomb; treasurer John Casey.

GLEE CLUB: president Dave Coupal; vice-president James Garofano; secretary-treasurer Bill Brennan; librarian Tom Robinson.

Parents Weekend Schedule Ready, Features Tours, Music And Review

by Pete Keliher

The St. Michael's College Annual Parents Week-end begins Saturday morning at 8:30 with an open house in all classrooms, buildings, and dorms. All parents are invited to participate in their son's college routine by attending classes. At 12:20 a luncheon will be served in Alliot Hall.

The President's reception for the families will be in the College Library from 2:30 until 4:30 PM. At this time the parents will have an opportunity to meet the president personally. Refreshments will be served by the Faculty Wives at this reception.

Tonight, the St. Michael's College Glee Club and the Marymount College Glee Club will present a joint concert in the new Austin Hall. This will begin at 8:15. It follows a concert at 7:45 by the AFROTC band.

On Sunday May 14th, a Solemn High Mass will be sung at 8:15 for the benefit of the families attending the week-end. Following this, breakfast will be served in the College Dining Hall.

The week-end will draw to a close on Sunday afternoon at 1:30 with the Tenth Annual Air Force ROTC military review. The review will be held on the athletic field.

Outstanding cadets will receive their honors and the entire wing will pass in review. The afternoon will be highlighted by the performance of the St. Michael's College Championship Drill Team.

All these events have been scheduled with the aim in mind of better orientating the parents to the daily work and activities of their sons. This is done to allow the parents to better perfrom their rols as collaborators in his education and overall development.

by George R. Quinn

A major highlight of Parents Week End, this year, will be the musical entertainment that Mr. William Tortolano has planned for Saturday night May 13 via the Band and the Glee Club.

The festivities will begin at 7:45 P.M. on the plaza in front of Alliot Hall, when Mr. Tortolano will lead the Air Force R.O.T.C. Band Chorale: "Sleepers Wake"; the Purcell "Trumpet Tunes and Ayre"; selections from "My Fair Lady" and "Jamaican Rumba."

Assisting Mr. Tortolano will be Hugh McColl, Band Commander, and Dennis W. Haggerty, Drum Major.

At 8:15, vocal entertainment will be provided by the St. Michael's College Glee Club, also under the direction of Mr. Tortolano. The Singing Knights will be joined by the Marymount College Glee Club of Tarytown New York.

The girls' Glee Club, which is to be conducted by Mr. Walfgang Schanzer, will be returning the favor for the concert that the Knights presented at Marymount on May 6.

The program will include: the "Gloria" from the "Mass in G" by Flor Peeters; the "Sailors Chorous" from Richard Wagner's opera, "Flying Dutchman"; and the "March of the Peers" by Gilbert and Sullivan.

In addition, the two Glee Clubs will combine in performances of: "The Heavens are Telling", by Hayden; the "Gloria" from the "Mass in G", by Schubert; and "Paradise and Peri" by Schumann.

This will be the Glee Club's final concert of the current school year and if they are able to maintain quality consistant with previous concerts, a very enjoyable evening can be expected.

by Tom Vailette

Five hundred Air Force ROTC cadets will be on display Sunday, May 14, as St. Michael's College holds its 10th annual military review. The review, one of the high spots of Parents Week-end, will be at 1:30 in the college stadium.

In the presence of Gov. F. Ray Keyser, Jr., the review will be taken by Brig. Gen. Alvan Gillem of the 820th Air Division, Plattsburgh Air Force Base.

St. Michael's president, Very Rev. Gerald E. Dupont, SSE, and Lt. Col. Norbert C. Treacy, professor of Air Science at St. Michael's will be in the reviewing party. Some 2000 guests are expected.

RICE GIVES MOTHER ROSES

The Cadet Colonel is Robert W. Rice, Jr. His mother will receive the traditional bouquet of roses from her son as a symbol of affection on Mothers Day. He wins the Air Force Association Medal.

The crack drill team which has won the championship in the Northeast for five straight years and which represented New England in the Cherry Blossom Festival this year will give an exhibition. The Cadet leader is Francis J. Steele, Jr.

The rifle team which this year won the Secretary of the Air Force medal in the Northeast will be among the units to get special citation.

DON'T FORGET TO INVITE YOUR PARENTS TO LISTEN TO DR. SCHLESINGER'S ADDRESS, SUNDAY AT 7:00 P.M.

Senior Weekend Set, According To Chairmen Toussaint And Harvey

by Bill Jack

Co-chairmen Dave Toussaint and Pete Harvey report that this year's Senior Week-end, June 3rd and 4th, promises to provide the new and the old in just the right combination.

The festivities will begin with a luncheon in Alliot Hall, as all other functions of the week-end will be, on June 3rd.

Dr. Edward Pfeifer will talk at the luncheon. A novel feature of the luncheon will be the awarding of degrees - "Mates Best Helper Degrees" to the wives of all the married seniors.

That evening a cocktail hour will be held in Alliot Lounge. After cocktails a prime rib of beef dinner will be served in the cafeteria. Another new idea is the way in which the dinner will be served. It will be served on the favors for the Ball, a 9 inch platter with a picture of Old and Science Halls on the face of each. The platter will be washed after dinner and given out later in the evening.

After dinner Fr. Dupont will address the group and give out the "Mr. Michaelman Award" to the most outstanding member of the senior class. About 9 o'clock Pete Dorn and his band will begin playing for the dancing pleasure of all.

The following morning at 9 the traditional Memorial Mass will be held in the school chapel. After Mass there will be a Communion breakfast in Alliot Hall. A speaker for the breakfast will be named at a later date.

Sunday evening at 8:30, the Baccalaureate will be held.

On Monday, Graudation Exercises will bring the Week-end to a close. And as in the past, the parents of those graduating are invited to participate with their sons, in the entire Week-end

THE EDITOR'S NOTES

Well, dear parents, this issue of THE MICHAELMAN is just for you. On these pages, we hope you will find your son's name at least once. The campus is sharpened up for your inspection and faculty and student alike are on their best behavior just for you.

We salute you and especially the mothers on this Mother's Day. We hope that you will be pleased both with St. Michael's and your sons.

* *

The student elections for next year's officers were held this last week and in general the results were acceptable to one and all.

THE MICHAELMAN is glad to see J. Peter Donovan leading the senior class and although his election was turbulent and against seemingly insurmountable odds (which, incidentally, shall pass away with graduation), he is a fine young gentleman and will prove an asset both to his class and to St. Michael's.

Robert Warren, who lost to Donovan, is a very talented individual and he might be reminded that Abraham Lincoln lost a number of times before he held elected office, but persevered and was successful. The election however, did demonstrate a noticeable deficiency in the Student Constitution and this should be a lesson to the wise.

The new leadership shows many new faces which will be a welcome respite for all MICHAELMEN. We hope that all factions unite now and for ONCE have a contented, unified student body.

* *

We also noted that Arthur Schlesinger, Jr. has found time to come to St. Michael's and fulfill a speaking engagement that was cancelled several weeks ago. We hope that many of the parents can find time to stay and listen to Dr. Schlesinger. The May 5 issue of TIME magazine states that he has lost favor in the eyes of President Kennedy over the Cuban fiasco. This will trigger off sharp questions from our campus conservatives and with Frank Lyons promising to be in row one (as our number one liberal Democrat), the lecture should prove quite interesting.

* *

This is the last issue of THE MICHAELMAN for this academic year and with it, we say goodby to the class of '61. Many of them probably won't be replaced for a few years. Who could ever forget the Coleman, Kane and Tarleton twins along with the first half of the LeRoux entry?

Carmen Pizza (all 280 lbs.) might be included in the list of twins and it has been rumored that the Grinder House and Bove's Restaurant might have to go out of business. Barney Fitzsimmons and Davey Williams will be remembered as the original authors of "Birdseed" and Frank Lyons will give great glee to our conservatives by leaving us. All basic cadets will be glad to see Colonels Sinnott, Cornell and Rice graduate along with DeNisio, Hesler, Kennedy, Crake, Culhane and flight commanger Bergen.

We also note that the last of the war veterans are going and among those old, old timers who now can collect social security are Mike Ruggerio, George Green and Ed Cruess. And those other members of the Student Council can't quite believe that politicians Hickey, Haggerty, Pellegrine and Rowan are going also (and it will take time to forget them and their dedicated zeal for the class of '61). Many others, too numerous to mention are also going, and we salute you all (with tongue in cheek)!

Bon Voyage.

Raymond K. LeRoux

A LOOK AT BUSINESS

by Paul Lanza

Aspiring businessmen in the June graduating class have registered the greatest success of any class in the past five years in finding their first niche on the road to commercial success before graduation.

Mr. Thomas Kenney, Placement Director, reported that prospective employers were favorably impressed by the alertness and willingness to work of the members of the class of 1961 that were interviewed.

As in most graduating classes, the greatest number of students will go on to graduate school or the military. St. Michael's generally places about 10% of each graduating class in the teaching profession.

The men selected by business interests will in most cases go into training programs in sales, personnel and management. A great number of the group that are immediately employed are the science or math concentrators or the competitive salesman who gains financial returns early in the game.

Indications are that the best jobs are being held for the post-graduate degree holders. Trends in employment have indicated for some time time that basic requirements are tightening in favor of the man with advanced academic work.

PRACTICE NEEDED FOR THEORIES

Mr. Kenney noted an alarming fact in view of the testing phenomena which has become important in job selection and in most placement situations. This fact is that many students have not done well in testing programs. Mr. Kenney cited as the reason for this, that most students do not become test sophisticated early enough and when they do the practical skills are not weighted properly with the theoretical approach to given problems.

The solution to the problem is for the student to avail himself the opportunity to take as many tests of this sort that are available. There are opportunities to take these tests in Federal and Civil Service programs given many times during college years. Placement candidates need not suffer in their final year of college when they could have exposed themselves throughout their academic career to this type of test.

Father Paul Conture, SSE has challanged Father Paul Morin, SSE to a tennis match. Father Conture will play from one half of the singles court while Father Morin has the use of the entire doubles court! Father Morin has yet to set the date, but Father Moses Bosco Anderson, our MICHAELMAN informant, gleefully is awaiting the grudge match. What are the stakes? All wagers may be placed with George Green or Father Anderson.

Hickey Steps Out, Strange Politics

by Vaughn Keller

The last meeting of THE STUDENT COUNCIL was a busy one. Mr. Hickey started things off Tuesday by reading a letter from the Burlington traffic commission which stated that they could not justify a "Hitchhiking Pickup Station".

Mr. Rowan was "very happy to report" that Dr. S. would (definitely) be on campus May 14.

The Council then spent or did its best to spend the money that was left from this year's budget. The campus may have; the Constitution printed up ($300); the pool table from Ryan basement rejuvenated and moved to the game room ($200); a new, or rebuilt, TV in the basement of Alumni Hall ($100).

Money was also allotted to William Kern and Louis Tarnowski for expenses incurred while representing the school (about $50). Mr. Rowan may have ($50) with which to dine Dr. S. and transport him to SMC from Montreal. There will be little in the budget at the end of this year.

The game room will be closed during final exams, it was announced, to increase the studious atmosphere on campus during final examinations.

Brian O'Connor, chairman of the Club Status Committee, reported that he considered the following clubs acceptable for "class A" rating under the new Constitution. The clubs mentioned were, the Chemistry Club, Politics Club, Pre-Medical Society, Education Club, Sociology Club, and possibly the Modern Language Club.

Amidst much hand-shaking and congratulations, Mr. Hickey brought the 1960-61 Council to an end.

Five minutes later Mr. Hickey asked for nominations for the position of President for the 1961-62 STUDENT FORUM. In a very short time one of the most unusual group of officers received the reins of the new STUDENT FORUM.

What was unusual about this group? Paul Upham ('62) was elected president, but the remaining selection of officers constitutes a precedent in the history of the school. Mr. Upham is the only junior elected to a position. Patrick Bergin ('63) is the new Vice-President. Andy Fay ('63) is the new Treasurer.

Both of these jobs were usually held by members of the Senior class. Next year these gentlemen will be juniors. The precedent did not stop there however. Phil Cronin (;64) was elected Secretary and Bill Jack (;64) was elected corresponding secretary.

The political experts on campus are stratching their heads and asking "What Happened?"

Military Review Here On Sunday

by James Murphy

Many distinguished persons, civilian, military, and clergy have received invitations to attend the annual Parent's Weekend held May 13-14 as honored guests. Invitation was extended to The Most Reverend Robert F. Joyce, Bishop of Burlington, and also to any clergy member wishing to attend.

Those in the military receiving invitations include: Major General William J. Bell, Col. Alvan C. Gillem, II, Colonel Raymond P. Todd, Colonel Benjamin A. Karakas, Lt. Col. Robert F. Goyette, Lt. Col. Ralph L. Chickering, Lt. Col. James Peek, Major J.A. Lloyd, Major Edward V. Charters, Major General F.W. Billado, Brigadier General Richard Spear.

Civilian dignitaries who were invited included Honorable George D. Aiken, Honorable Winston L. Prouty, Honorable Robert T. Stafford, Honarable F. Ray Keyser, Jr., Mr. Albert A. Verret, Mr. and Mrs. Robert W. Rice, Jr., Honorable James E. Fitzpatrick.

L YONS OF L YONS HALL

Dear Folks,

Well, Parents' Week-End is here. Graduation in less then four weeks. The time just flew. Four years up here were filled with a lot of fun and even a few sadities. Most of it was fun though, the trips to Evansville and the like, the Clubs, Glee, Radio, Politics, and of course THE MICHAELMAN. Well, this week it's time for your son's last column. You know it hardly seems possible. But, well, it is.

This column will have to be something special. It's a salute to you both. But it's tough. Regular columns come easy. It's not hard to put into words feelings on politics, music and the like. But when you're trying to salute your parents, that feeling of love deep inside of you, won't come easy. Thanks to you for all the small and big things that you did during these four years is hard. Sure, mention could be made of our interests, one and the same, your prayers, pushing to study, the extra money in lean times, and that trip to Washington this January 20th, the "Care" packages, the words of wisdom, for everything you've done in these four years. But the words won't come.

Perhaps that salute to mom and dad you have will do it the best. Hope you don't mind it's being repeated. Do you remember how it went . . . .

MOM

> The word is kindness, love, tenderness, and beauty . . . the arms that hug . . . the hands that tuck in the blanket . . . the almost hidden tear when your son went away to school for the first time . . . the smile when things are happy . . . the soothing word when things are tough . . . It's a son's most valuable possession . . . it's everything nice.

DAD

> You know, that's a great word . . . character, admiration, devotion and pride . . . the strength of a piggy-back, the firm grip when crossing the street . . . and when older, it's the keys to the car . . . the fishing trip . . . the campfire . . . the answer to the question "How do you . . ." It's the priceless word . . . Faith, Hope and Charity rolled up into one . . . It's everything strong.

That is indeed an inadequate salute, for all the things you've done. But that's how the feeling came out.

Yer lovin' son
Frank

CAPITALISM AND YOU

by Joe Kennedy

A final article is always both a sad and a happy occasion. This is no exception.

Since this "new idea" of a business column became a reality late in September, much has been happening in the world of business. We've experienced the effects of a mild resession and the hardships it brings. We have also seen the bad taste that can be left when morals and fair play are left out of business. Need I explain that I'm referring to the price fixing scandals involving the officials of 30 of our leading corporations?

But there has also been brighter topics in this past school year. We have a new President with new ideas on depreciation and interest rates. And of late we have experienced the greatest boom on the stock market since the late "20's". Some even predict that the Dow Jones Average will reach 750 before this boom stops. However I too disagree? Who would have dreamed that an average of 5 million shares of stock would change hands daily on the N.Y. Stock Exchange week after week?

Yes, it has been extremely interesting year in business and the future promises to be even more phenomenal. But the time has come for me to head for Virginia.

There is just one final word of thanks I would like to extend to the administration on behalf of myself and my fellow business majors. I could think of no finer graduation present than having "Mike" McCarthy, the biggest hoof of the "thundering herd", for our graduation speaker. He's the cover man on this Month's Forbes.

Finally I would like to thank everyone who made this column possible and wish Paul Simmons the best of luck with it next year.

Imagine M.MC. of M.C.P.F. & S. . . . . unbelievable!

FINAL EXAM SCHEDULE

All reported conflicts have been taken care of.

Special Note: This year, all students must present an admission card to each examination. Admission cards may be obtained at the Treasurer's Office beginning Friday, May 12th. Exam proctors will collect cards in the exam rooms. Any student not having a card will be sent to the Registrar.

Campus K of C Elects

by Robert Rinaldi

New K of C officers, from left to right, are Peter Schirer, Michael Murtaugh, John Dorsey, William Pinskey, Grand Knight Patrick Curtin, Arthur Kohler, Wallace Hogan, Donald Cipriano, and Joseph Woods.

As retiring Joe Hart passed the gavel over to new Grand Knight, Patrick Curtin, a new regime of the SMC Council of the Knight Of Columbus was initiated.

The elections witnessed the retirement of Mr. Daniel MacDonald as our very capable financial Secretary and his assuming the position of trustee of the organization. Mr. MacDonald explained that, since his appointment as Registrar, the duties of his position have warranted his reluctant resignation.

A complete change of officers was effected (as is every year) and the new administration met unanimous acceptance. The post of Deputy Grand Knight, vacated by Pat Curtin, went deservedly to Arty Kohler, whose tireless efforts made the processing of the new members a great deal easier. Bill Pinsky assumed the position of new Financial Secretary; Mr. Pinsky served formerly as a trustee. Other posts filled were:

Treasurer, John Dorsey vacated by Gerry Dupree; Advocate, Bard O'Neill vacated by John Messer; Recorder, Mike Murtaugh vacated by Armand Crevier; Warden, Wally Hogan vacated by Bob Simpson; Inside Guard, Bill Byrne vacated by Wally Hogan; Outside Guard, Joe Woods vacated by Don Heyel; Trustee, Mr. Daniel MacDonald vacated by John Hamilton; Trustee, Dick West vacated by Bill Pinsky.

Trustee Bill Gothers remained in office to the completion of his term while Bill Pinsky resigned trusteeship to serve as Financial Secretary.

Forty new aspirants completed their degrees this month thus marking the drive for new members earlier in the year, a complete success. The 1st and 3rd were held in Essex Junction and SMC was honored by the conduction of the 2nd phase at Austin Hall. All eyes are focused on what is anticipated to be a very outstanding year for the Council, a year of considerable growth and influence here on campus.

MICHAELMAN Editor On TV Takes Part In UVM Project

by John Babiel

Raymond LeRoux, Editor-in-Chief of the MICHAELMAN, received an invitation to appear as a panel member on the WCAX-TV program, "You Can Quote Me" moderated by Mr. J. A. Sullivan, on Friday evening, May 19, at 6:30. He will represent St. Michael's College and the MICHAELMAN in a discussion of "The Future of College-trained Youth in Vermont in Industry".

This televised discussion is a part of the Vermont Industrial Exhibit, sponsored by the Associated Industries of Vermont, the Vermont Development Commission, and the University of Vermont.

The prime aims of the Exhibit are:

1. To familiarize undergraduates at Norwich, Middlebury, St. Michael's and the University of Vermont with industrial opportunities in the State.

2. To attract risk capital and new industry to the State.

3. To show the people of Vermont some of the skills Vermonters practice.

4. To acquaint the Vermont industrial interests with each other.

Michaelmen are invited to visit the exhibits from May 20-22 in the cage on the campus of the University of Vermont.

Parents Week end Schedule

by Jim McMahon

Plans have been completed for Parents Weekend, which will be held on Saturday, May 13 and Sunday, May 14. This traditional Mothers' Day Welcome to parents by faculty and students will give the parents a chance to attend classes, to eat in our new dining hall, and to be entertained by the Band, Glee Club and the Cadet Wing, which will conduct a review Sunday.

Copies of this program have been sent to all parents:

Saturday, May 13, 1961

8:30-12:20	Open house to all buildings and classrooms. Parents may join son in classes, room permitting.
12:20- 1:20	Luncheon in Alliot Hall.
2:30- 4:30	Faculty Wives Tea and President's Reception in Alliot Hall.
7:30- 8:00	Band Concert, Plaza, Student Center.
8:15-10:00	St. Michael's College Glee Club and Marymount College Glee Club in Austin Hall.

Sunday, May 14, 1961

8:15	Mass in College Chapel
9:00-10:00	"Coffee Break" breakfast in Alliot Hall.
1:30- 2:30	Tenth Annual Air Force Review at Athletic Field. Inclement weather--Awards and decorations in Austin Hall.

Crown And Sword Selects New Pres.

by Frank Twarog

The Crown and Sword Honorary Society held its annual election of new members this past week. There were approximately 45 letters of application submitted to the admissions committee by interested sophomores.

Each year the Crown and Sword Society selects 15 new sophomore members to replace the outgoing seniors. Each of the candidates was interviewed before the entire society. His letter of application and past record at St. Michael's, both scholastic and extra-curricular, was evaluated.

At a separate meeting the final choice was made and the new members were accepted into the society. The sophomores accepted are: Luis Villares, Gary Farrell, James Walton, Paul Carbonneau, Bill Backus, Bob Hoehl, Dick Santora, John Barnett, Bill McMahon, Joe Curtin, James DeBiasio, Charles Burke, Joe DeGrinney, Tom Schappert, and Bob McCormick.

GAROFANO NEW PRESIDENT

New officers for the coming year have also been elected. These are: president, James Garofano, vice-president, Russell VanZandt, secretary, Dick Santora, treasurer, Gary Farrell, and historian, Luis Villares.

All the members of the society are hopeful that the new year will prove even more fruitful than this past one. And that even more opportunities will avail themselves through which we can aid the students of St. Michael's.

Kins Yet Twins Double Trouble

by Bob Lilly

Have you been seeing double lately? Does it seem that Junior Weekend hasn't worn off yet? If you have found these symptoms to be plaguing you, don't go back for that last "one for the road" because what's probably the matter is that you have just seen one (or more) of the five sets of twins that live on campus.

The Senior Class holds the record with 4, and the Sophomores have one representing set.

Senior twins are Bill and Ray LeRoux (who likes St. Michael's so much, he is staying for another year), Bill and Jim Kane, Peter and Paul Kullman, and Albert and Brian Tarleton. Representing the Sophomore Class are Ed and Jim Daniel.

Although we will be missing the seven that will graduate in June, many bleary-eyed underclassmen will be thankful that they won't be meeting two look-alikes at the same time after a long hard Saturday night. Or will they? The registrar reports the admission of not two, but three Geier brothers, including a set of twins this fall. They're from East Greenbush, N.Y.

College Yearbook To Look Different Pellegrine And Hickey In The Light

by John Howe

This year the Shield is going to be quite different from yearbooks of the past in many ways. The seniors will not have a write up next to their names as in past years, but only a list of their activities throughout their four years at St. Michael's.

There will be eight senior pictures to a page and instead of being in the front part of the book, the senior section will be located in the back, as will the faculty.

The faculty section will be composed of group pictures according to the subjects each professor teaches. These are all changes from recent yearbooks as are several other aspects of the books.

Among the more notable changes is the basketball section which has been shortened. It will consist, in part, of a full length picture of the starters in action.

The members of the various clubs and organizations around campus will not be included in the yearbook but only the club officers and chairmen of activities. The scholastic honor societies will include all those who belong to them.

The cover will be gray with the title Shield written on it and St. Michael's written along the side near the binding reading from top to bottom.

The book will be arranged in the sequence of the events that take place at St. Michael's so that it follows a typical school year.

The advertisement section will consist of pictures of campus life appropriate to the ad. There will be no art work in this section nor throughout the rest of the book. Only photographs will be entered in it.

There will be an informal section of photographs taken at various places around campus. This section is printed on heavier paper this year and kies for a much richer photograph.

It is interesting to note that of the 100 pictures in the first 40 pages, 2000 were taken and the best selected of these.

The yearbook is dedicated to Mr. John Donoghue, Public Relations Director at SMC.

The following is a list of the names of those who helped to compile the 176 pages of the Shield:

Robert Pellegrine, Editor; Richard Hickey, Business Manager; Michael Fitzsimmons, Supplement Business Manager; Hugh McColl, Photographic Editor; Harold Lloyd, Asst. Photographic Editor; William Haggerty; Senior Section Editor; Fred Burkle, Asst. Senior Section Editor; Mike Fallon, Sports Editor.

Barry College Has Free Course

Miami - (CIN) - Barry College's free language courses are another step in the response of Florida Catholic groups to the plight of thousands of Cuban refugees. Many of the refugees from Castro's Cuba have been unable to find employment because of the language barrier.

The Barry College program is directed towards language instruction for Cuban physicians and professional people. Meanwhile, on the grade school level, 2,500 Cuban children are having their education financed at the expense of local Catholic parishes.

Almost exclusively Catholic, the large numbers of Cuban refugees pose a problem to educational facilities in their areas of greatest concentration, such as the Miami locale.

Music Lovers Will Be Pleased

St. Michael's College will inaugurate a series of Sunday evening concerts this summer. William Tortolano, director of music, said a series of five programs will be given during the summer session of the college. Intended primarily for summer session students, they will also be open to the public at a modest fee.

A chamber group from the Vermont Symphony Orchestra, led by Dr. Alan Carter, will open the series July 2. Jan and Marjorie Stocklinski will give a violin and piano sonata recital July 9. Kenneth Amada, Levintritt Foundation finalist last year, will be heard in a piano recital July 16 and Tortolano will direct 'La Serva Padrona" by Pergolesi on July 23.

The traditional summer session concert by students will conclude the series Sunday, July 30. St. Michael's is extending its summer session offerings this year to enable teachers to attend a music education workshop during the session which starts June 26.

Delta Epsilon Sigma Induct, Scholars Eat, Then Hear Talk

by Edward Cruess

Alpha Nu Chapter of Delta Epsilon Sigma National Scholastic Honor Society held its annual induction ceremony in Science Hall Sunday evening, April 30.

Dr. Edward Murphy, acting in the absence of the Chapter President Richard DiLorenzo, conducted the induction ritual assisted by the Chapter Secretary Daniel F. MacDonald. The induction was preceded by a dinner at the Lincoln Inn.

In all, 23 were accepted into the membership of Alpha Nu Chapter this year. Faculty members accepted were the Reverend Francis X. Goley, SSE and Dr. Myron E. Witham. Alumni accepted were the Rt. Reverend Edward J. Fitzsimons, pastor of Christ the King Church in Burlington and Dr. Martin P. Flanagan, noted Burlington surgeon.

Students accepted were Seniors: Roland Brosseau, Frederick Burkle, Peter Clement, Edward Cruess, Donald Dakin, Paul DesRochers, Gerald Dupree, John Graceffa, Richard Hickey, Raymond LaCroix, Leo Patry, Robert Pellegrine, Pedro Quiros, John Reddan, Joseph Rowan, Thomas Walsh, and James Willard.

TWO JUNIORS ACCEPTED

Juniors accepted were David Drew and Peter Wursthorn.

The principle speaker was Dr. Witham. Dr. Murphy acclaimed him "to personify to the highest degree the requirements of Delta Epsilon Sigma."

Dr. Witham attended Dartmouth College where he was a gridiron All-American. He taught at Purdue Colorado University and the University of Vermont before coming to St. Michael's in 1946. He was awarded a Doctor of Laws degree from St. Michael's in 1960.

He spoke on "The Virtuoso Teacher." He said scholars of today should "inquire" as well as "acquire" and that the reach of man should be beyond his own grasp.

The ceremony was open to the public.

SCHLESINGER Tries Again

On Sunday, May 14, Dr. Arthur M. Schlesinger, Jr., will give a lecture on our "Foreign Policy in the Nuclear Age." Dr. Schlesinger is returning to St. Michael's after his first appointment to speak here was cut short by an unexpected conference in Washington.

The lecture is scheduled for 7:00 P.M. Sunday night, and the parents of the students are invited to take advantage of the opportunity to hear Dr. Schlesinger at this time.

why the blue suit with the gold bars?

You're needed... just as your father and grandfather were. It's an obligation that a lot of qualified college men have to meet... that of serving your country, when and where you are needed.

And the Air Force needs college-trained men as officers. This is caused by the rapidly expanding technology that goes with hypersonic air and space flight. Your four years of college have equipped you to handle complex jobs. You have the potential to profit from advanced training... then put it to work.

There are several ways to become an officer.

First there is Air Force ROTC. Another program, relatively new, is Officer Training School. Here the Air Force commissions certain college graduates, both men and women, after three months' training. The navigator training program enables you to win a flying rating and a commission. And, of course, there's the Air Force Academy.

An Air Force officer's starting salary averages out to about what you could expect as a civilian. First there's your base pay. Then add on such things as tax-free rations and quarters allowances, free medical and dental care, retirement provision, perhaps flight pay, and 30 days' vacation per year. It comes to an attractive figure. One thing more. As an officer, you will become eligible for the Air Force Institute of Technology. While on active duty many officers will win graduate degrees at Air Force expense.

Why not contact your local Air Force Recruiter. Or write to **Officer Career Information, Dept. SC15, Box 7608, Washington 4, D.C., if you want further information about the navigator training or Officer Training School programs.**

U.S. Air Force

There's a place for professional achievement on the Aerospace Team

Summer Session Prepares To Open In Full Swing, Many New Additions To Broaden Scope

by Xavier LaPrade

Again this summer, like preceding years since 1939, St. Michael's will conduct a Summer Session.

This 23 annual Summer Session is co-educational, and its six week courses take place from June 26, to Friday, August 4.

Dr. Robert Spencer, chairman of the Department of Government, will be the new director of its Summer Session. He replaces the late Dr. Durick who had established the program on campus.

Well qualified as the Sessions Director, Dr. Spencer received his Doctorate from the University of Chicago. He is also presently a member of the Vermont Senate.

Dr. Spencer is contemplating an enrollment increase this summer by adding to the degree programs. Several new courses offered are American Studies, Music, and an under-graduate Physical Science course. Upward to 500 students are expected to enroll, mostly teachers.

The Summer Session also includes workshops and seminars as well as the specialized program of English for Foreign Students.

Of these workshops, one will be the Labor Institute of June 16, 17, 18, conducted with the intention of training union men in new aspects of their relations with labor and personnel. The confraternity of Christian will hold its only leadership workshop in the Northeast on Campus.

Dramatic courses will also be taught during the Session by the Players, Incorporated. It will be their 13th year at St. Michael's College.

For the third summer, St. Michael's College will offer the Leadership Training program for the Confraternity of Christian Doctrine. It is open to men and women.

The St. Michael's program, the only one in the Northeast, will be offered during the Summer session, June 26 to Aug. 4.

The six week program is offered especially for priests or their assistants who serve as diocesan CCD directors, for sisters who are community supervisors or teachers in centers for public school pupils, for seminarians who wish to prepare for parish CCD work, and for lay leaders who wish courses in doctrine, methods and parish organization.

Each of the three courses carries two credits and a certificate issued jointly by St. Michael's and the National CCD Center, issued to those who complete the courses successfully. Students enrolled in other programs may register for one of the Confraternity courses.

Rev. Dr. Geoffrey I. Keating, SSE, assistant professor of Theology at St. Michael's, has been assigned by the college to teach "Dogmatic and Scriptural Foundation for Catechists".

Sister M. Marcelle Therese Goyette, P.M. of Manchester, N.H., who also taught last summer at St. Michael's, will teach the course in "Apostolate of the CCD" and "Methods, junior and senior high schools". Mother Rita Anne Houlihan of Our Lady of the Cenacle, Mt. Kisco, N.Y., will teach: "Methods, elementary schools".

All those students recovering from fractured elbows are requested to report to the college physician, Dr. Clarence Bombard, immediately.

Best Cadets Given Awards

by Tom Vaillette

At the final Review on Parents Week-end at St. Michael's College, several awards are to be presented to outstanding cadets in the St. Michael's College AFROTC wing. They are as follows:

1. MEDAL AWARDED IN MEMORY OF CHAPLAIN JOHN A. VERRET, SSE, '35, USA -- Cadet Lieutenant Colonel Hugh F. McColl.
2. AIR FORCE ASSOCIATION -- Cadet Colonel Robert W. Rice, Jr.
3. AMERICAN LEGION PLAQUE AND MEDAL -- Cadet Lieutenant Colonel Robert J. Hesler.
4. MILITARY ORDER OF THE LOYAL LEGION -- Cadet Major Francis J. Steele, Jr.
5. RESERVE OFFICERS ASSOCIATION -- Cadet 2nd Lieutenant Robert P. Warren, Jr.
6. RETIRED OFFICERS ASSOCIATION -- Cadet Lieutenant Colonel john J. Madigan.
7. SONS OF THE AMERICAN REVOLUTION -- Cadet Robert T. Rinaldi, Sophmore; Cadet Richard F. Dermody, Freshmen.
8. VETERANS OF FOREIGN WARS PLAQUE AND MEDAL -- Cadet John J. Durkin.
9. CHICAGO TRIBUNE AWARDS --
   GOLD MEDALS
   Cadet Lieutenant Colonel Richard M. Casey; Cadet Lieutenant Colonel Lincoln H. Streeter.
   SILVER MEDALS
   Cadet Captain Michael Mahovich, Jr.; Cadet 1st Lieutenant Russell D. Van Zandt.
10. CONVAIR AIR FORCE ROTC AWARD -- Cadet Airman 1st Class Paul A. Boucher.
11. PROFESSOR OF AIR SCIENCE RIFLE AWARD -- Cadet Staff Sergeant Harry C. Haarup.
12. PROFESSOR OF AIR SCIENCE PROFICIENCY AWARDS -- Cadet 2nd Lieutenant Patrick F. Curtin, Sophomore; Cadet John J. Reid, Freshman.
    LEADERSHIP AND SCHOLASTIC ACHIEVEMENT -- Cadet 2nd Lieutenant Michael J. MacDonald, Sophomore; Cadet Joseph F. L'Herault, Freshmen.
13. PROFESSOR OF AIR SCIENCE DRILL TEAM AWARD -- Cadet David B. Downing.
14. FIRST ARMY AREA INTER-COLLEGIATE RIFLE AWARDS -- Cadet officer in charge of Rifle Team, Cadet Staff Sgt. Harry F. Haarup.

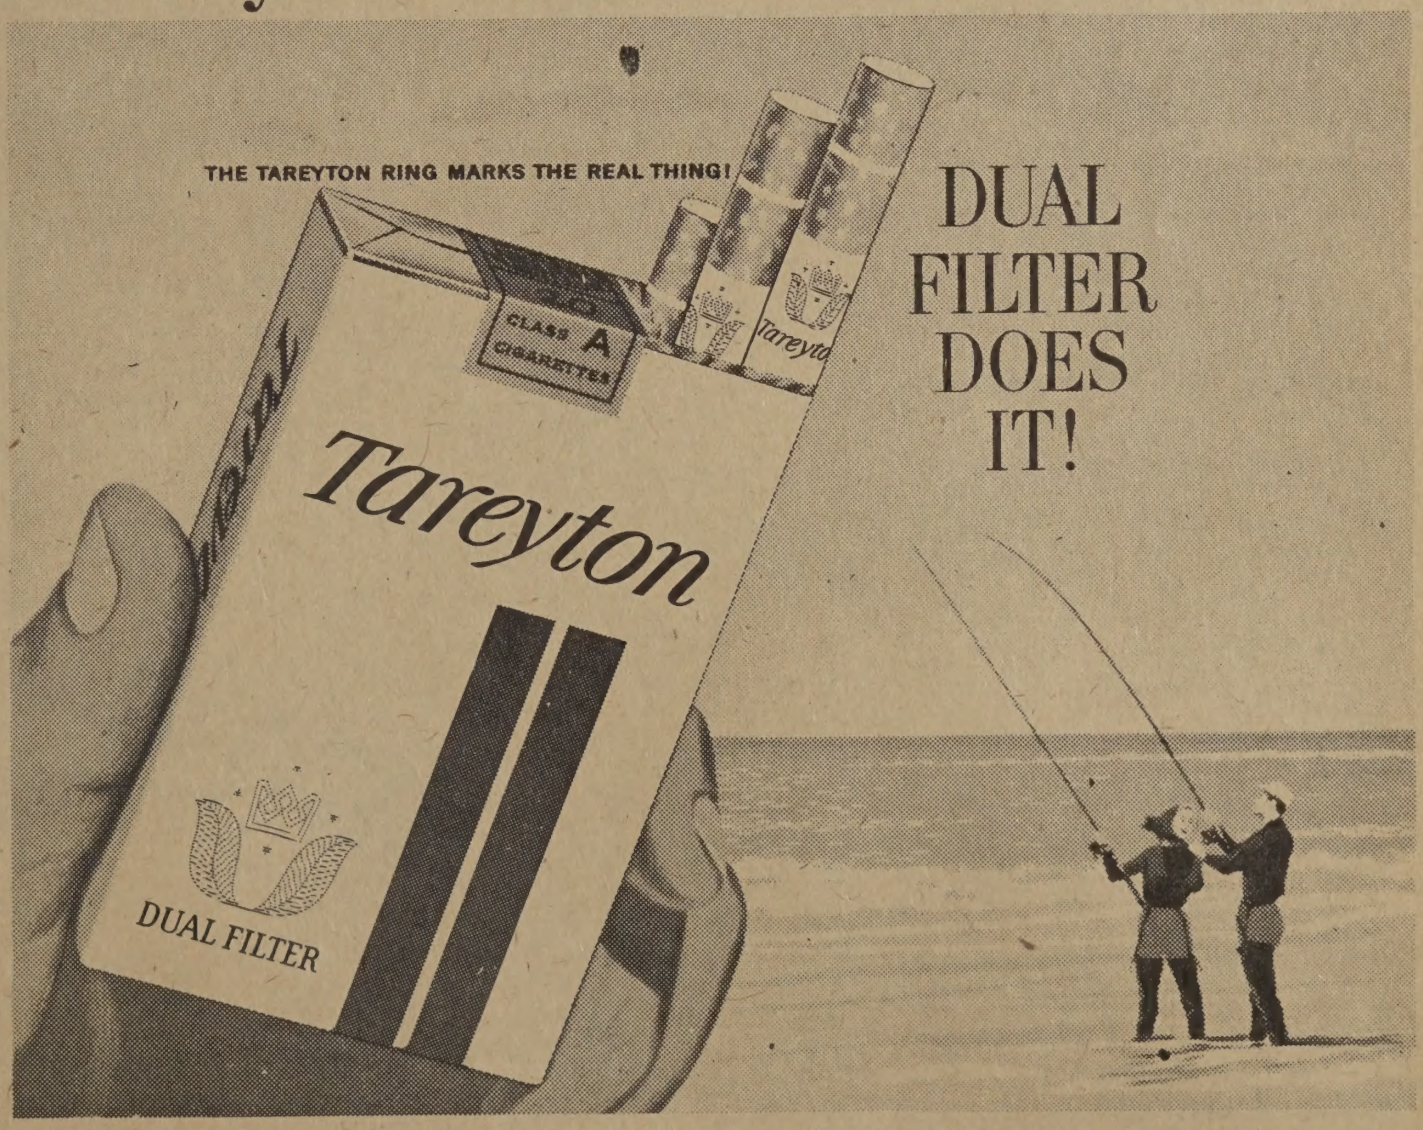
Tareyton delivers the flavor...



Here's one filter cigarette that's really different!

The difference is this: Tareyton's Dual Filter gives you a unique *inner* filter of ACTIVATED CHARCOAL, definitely proved to make the taste of a cigarette mild and smooth. It works together with a pure white *outer* filter—to balance the flavor elements in the smoke.

Tareyton delivers—and you enjoy—the best taste of the best tobaccos.

DUAL FILTER Tareyton

Product of The American Tobacco Company — Tobacco is our middle name

SPORTLIGHT

by Jim White

This year has come and gone. In another couple of weeks, there will be a mass exodus from this abode as we all head home for the summer. This year has been one that will be remembered for a long time to come. It has been a year that has seen scientific advances, war, and last but not least, a wonderful year for sports.

Certainly, one such noteworthy event this year was the Olympics. The crowds in Rome saw what was probably the greatest Olympic games in history. It saw the proud runners of America lose in some events which were previously thought to be our private possessions. It saw us lose the 100 and 200 hundred meters, the high jump, and the 400 hundred meter relay. It also saw our athletes romp to victory in basketball, the discus, pole vault, shot put, hurdles, and 400 meters. Yes, it was certainly an exciting year for sports in Rome, Italy.

The United States also had their share of sports thrills. Probably the most memorable was Bill Mazeroski's fantastic home run in the last inning of the last game of the World Series to bring a world series to Pittsburg after a 35 year drought.

We saw the great Ted Williams bow out after a blazing comeback season. In 1959, bothered by injuries, Williams had an anemic .254 batting average and hit eight home runs. Williams came back in 1960 knowing it was his last season. He certainly made it one to remember. His first and last at bats in this campaign resulted in prodious home runs. He ended up his career with 521 home runs which placed him third in the all time list behind Fox and Ruth. Good-bye to Ted Williams -- one of the game's all time greats.

Baseball had another notable event which can't help but leave a bitter taste in this writer's mouth. I am speaking of the dismissal of Casey Stengel. Casey, after winning pennant after pennant, was abruptly fired by the Yankee hierarchy. Baseball won't seem the same this year without the old man.

Not all the thrills were in baseball either. Many records were tied of broken in many other fields.

Hockey had a memorable season. Maurice Richard saw his record of 50 goals in a season tied by the Canadian's Bennie "Boom-Boom" Geoffrion. Maurice also saw the domination of his once invincible Canadians dashed by a hustling gang from Chicago, the Black Hawks. The Hawks went on to defeat Detroit and gain possession of the coveted Stanley Cup.

This year saw the world championship of basketball go to the great Boston Celtics. The Celtics have been called the greatest basketball team in history. Cousy, Sharman, Russell and Friends vanquished the St. Louis Hawks in five games for their fourth title in five years. They are, without a doubt, THE greatest hardwood congregation of all time. Anybody disagree?

Just a few months ago, in Miami Beach, a young man from New York put up one of the greatest displays of courage seen in quite some time. Floyd Patterson, obviously off his feed and definitely not the killer he was in the second fight, got off his back twice in the first round and proceeded to send Ingemar to dreamland in the sixth round. It was ironic that it was Floyd's right hand that ended it.

To put it bluntly, many pages could be written on sports this year. In them would definitely appear names like Mays, Spahn, Rafer Johnson, Sugar Ray Robinson, Don Bragg, Harold Johnson, John Thomas, Horning, Chamberlain, Robertson, Baylor, Runnels, the Cincinnati Bearcats, the Philadelphia Eagles, the Packers, the friars from Providence, et alii. It would be a monumental task to attempt to write about all these figures. I could never recover from the writer's cramp if I were to attempt such a task. So I'll leave it the way it is - what a year for sports!

New York Giants Go South

Alouettes To Visit Campus

by Phil Gorman

Most likely all have heard about the shift of training bases for the New York Giants of the National Football League. The Giants have announced that they will hold their summer training at Fairfield College this year rather than here on the Hilltop.

However, there will be Pro Football on the Hilltop this summer. The Montreal Alouettes, Pro Footballers from across the border will conduct their summer drills on the campus of St. Michael's College.

ALOUETTES SPLIT SESSION

The Alouettes will be here on July 1 for two weeks and will then return to Canada for the Annual Quebec Rugby Football Union benefit intra-squad game at Molson Stadium on July 17. They will then return to the Hilltop for one more week of concentrated practice.

The ensemble will include 60 players and 15 graduates of the Canadian camp held from June 5 through June 17.

The Alouettes are one of the most exciting teams in the Canadian League. They specialize in the wide-open style of play that has become a trademark of Pro Football.

YOUTH MOVEMENT ON

The Alouettes are in the process of a youth movement. Last year Freshman mentor Perry Moss rocked Alouette fans in particular and football fans in general with some shocking trades and releases. Among the greats gone are Sam Etcheverry, (to the St. Louis Cardinals), Harry Patterson, Bill Shipp, Bill Hudson and Doug McNichol.

The Alouettes were attracted to St. Mike's because of the excellent facilities offered. The "Montreal Star", leading Montreal newspaper, termed the shifting of the training base to the St. Michael's College campus a "morale booster".

SMC, Middlebury Split; Knights Lose At Norwich

In the opening game of the season at Middlebury May 1 the St. Michael's nine prevailed by a score of 5-4.

Racking up three runs in the second inning, the Purple Knights were never headed after that. A walk to Mike Kneffley and singles by Bernie Couture and Jim Martin brought in two runs against Middlebury starter Newt Baker while Dennis McCarthy drove in the third tally of the inning with a single off reliever Chris Morris.

CARMODY CLICKS

St. Michael's scored another run in the third inning with Dave Carmody driving in catcher John Whitcomb, who had previously walked, with a sharp single to right. The winning run however was scored in the next frame without the benefit of a hit. Jim Martin reached base on first baseman's Johnson's error, stole second, went to third on an infield out and scored on clean-up man John Whitcomb's sacrifice fly.

Middlebury scored two runs in the second inning and one each in the fifth and eighth cantos off starter Tom Lapine, who lasted seven and one-third innings before being relieved by soph Dick Carton.

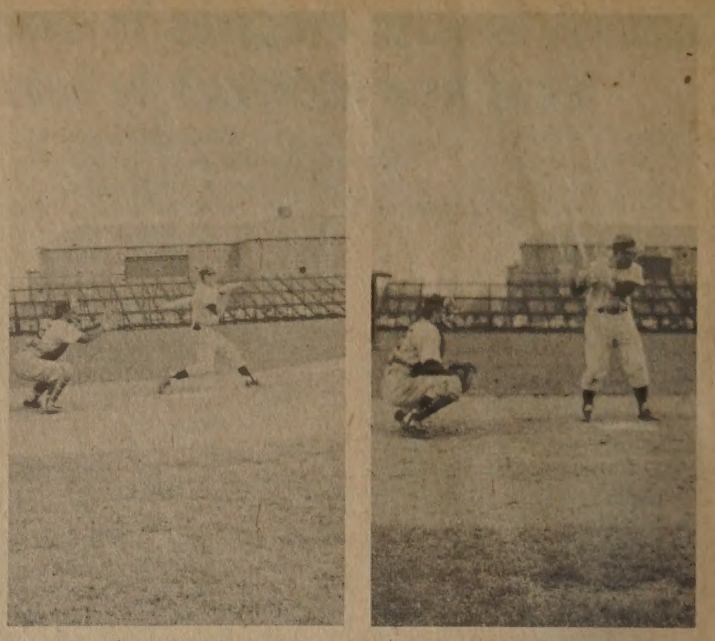
Carton, who pitched excellent clutch ball in saving the win, came on in the eighth with men on first and second and only one out. An error loaded the bases. The Middlebury team wa unsuccessful in a squeeze play and Carton ended the inning by striking out right fielder Ferrentino.

Lapine and McCarthy led the way in hitting, each cracking out two singles. Shortstop Mike Sweeny had the only extra base hit of the game, a solid smash to center which was good for two bases.

Middlebury evened its series with St. Michael's here Monday with a convincing 5-0 victory.

Scoring all their runs in the fourth and fifth innings, the downstaters were never in danger of relinquishing their lead after that point. Except for brief uprisings in the fifth and eighth frames, when they loaded the bases, the Knights found Middlebury starter Chris Morse a complete mystery and were shackled with but three well spaced singles from the bats of Jim Martin, Bruce Martin and Dennis McCarthy.

Morse, displaying a good assortment of "junk" and a occasional fast one, kept his opponents off guard the entire contest. In addition, he was aided by his mates' timely fielding.



Mike Knefley is shown giving one of the Middlebury offerings a ride. Also ready to put one into orbit is catcher Jon Whitcomb who has become a standout for Ed Markey this year.

THE FOUR-RUN FIFTH

The game was actually wrapped up by the Middlebury four-run fifth - St. Mike's starter Bob Rivers, who had been going along smoothly up to this point, opened the canto by walking shortstop White and then loaded the bases by yielding a bloop single and a fluke infield hit. A fielder's choice brought in one tally and pitcher Morse then drove across two more with a hard-hit double to left center. The game's scoring was brought to an end by Johnson's line single to right.

Tiring noticeably in the final innings, Morse always had enough in reserve to keep things under control and hurled himself a fine ball game.

BELANGER BLANKS

Except for the disastrous fifth inning, the St. Mike's chuckers also showed up well--Rivers was tough in the early frames and would have continued on if it were not for some bad breaks, and Tony Belanger came through with four innings and shutout relief ball. Belanger allowed but two hits, both to third sacker Dyson, and fanned seven men. He displayed some fine control and a live fast ball and should give Coach Markey a needed lift in the pitching department.

The Knights were hampered by the loss of shortstop Mike Sweeny. Sweeny had been hitting the ball at a .500 clip and was showing a strong glove at short. He will be lost, probably for the season. due to an ankle injury.

St. Michael's lost a heartbreaker at Norwich May 2 by a score of 8-7.

With rainfall marring the game from start to finish, both clubs were hampered defensively, committing six errors apiece. Norwich's starting pitcher, Al Winders, has a particularly trying day in cutting loose four wild pitches, allowing 5 walks, and giving up all of the St. Michael's runs in the 7 1/3 rain soaked inning he worked.

Field conditions being what they were, it is not strange that this was a hitters' game. John Whitcomb, the chunky St. Michael's backstop, belted out a double; Norwichs' second baseman Dick D'Elia clouted a pair of doubles among his three hits; and teammate Bob Mirabelle had a triple. Other noteworthy hitters were St. Michael's Mike Sweeny who was credited with two singles in three trips to the plate and Cadet right fielder Ed Galucci who went three for five. In all, Norwich accounted for 10 hits while the Purple Knights were limited to six.

CARMODY IN CLUTCH

Scoring two runs in the top of the eighth, two of which were driven across by big Dave Carmody's bases-loaded single, St. Michael's assumed a hard earned 7-6 lead only to have their state rivals come back in their half of the frame with the tying and winning runs.

Fred Dupras first got into trouble by hitting Mirabelle with a pitched ball. The Norwich leftfielder then scored the equalizing run after a sacrifice and D'Eleas's double. Rich Carton was then brought on in relief and, after getting third sacker Trapasco to hit into a fielder's choice, thus erasing D'Elia at third, he gave up a single to Galluci. With men on first and third, Norwich then clinched the game with a double steal as Galluci drew Whitcomb's peg to second while teammate Trapasco came home with the deciding run.
